(i) The particulars of its organisation, functions and duties

The State Excise Department of Government of Maharashtra is one of the major earners of revenue, next only to Sales Tax and Stamp Duty. The Department is headed by the Commissioner and administratively governed by Home Department of the Government of Maharashtra. The primary function of the Department is to collect Excise Duty on the alcoholic products and to regulate the trade of these products. This object is achieved by issuance of various types of licences for the manufacture, possession, sale, transport, import and export of alcoholic products and effective enforcement through detection of crimes. The statutory powers for discharging these duties are derived from the following legislations.

- i) The Bombay Prohibition Act, 1949,
- ii) The Bombay Molasses [Control] Act, 1956.
- iii) The Medicinal And Toilet Preparations [Excise Duties] Act, 1955.
- iv) The Spirituous Preparations [Interstate Trade And Commerce] Control Act, 1955.
- v) The Bombay Drugs [Control] Act, 1959.
- vi) The Narcotic Drugs And Psychotropic Substances Act, 1985.
- vii) The Poisons Act, 1919
- viii) The Bombay Opium Smoking Act, 1936.

2. The Excise Revenue is primarily derived from the duties and various types of fees [licence, permit, privilege, transport, export etc.] on Indian-made Foreign Liquors, Country Liquor, Distillery Spirit, Toddy, Neera, Intoxicating Drugs, Opium, Medicinal Preparations containing Alcohol or Narcotic Drugs, Toilet Preparations containing Alcohol etc. Excise Revenue is also derived from miscellaneous sources viz. fines, forfeitures etc.

3. During the year 2003-04, the revenue of the State Excise Department was Rs.2,324.42 crores, which was increased upto Rs. 3,300.00 crores in 2006-07, means there was an overall increase of Rs. 976.28 crores. Similarly, in 2006-07 Rs. 42.22 crores expenses were incurred on the State Excise Department which expenditure was only Rs. 1.28% compared to the revenue earned by this department.

4. The Head of the Department i.e. the Commissioner has his headquarter at the Old Custom House, Fort, Mumbai - 400 001. He is assisted by one Additional Commissioner at the headquarter dealing with Excise policy and such other important matters. In addition, there are two Joint Commissioners at the headquarters; one deals with the Administration and the other with Alcohol and Molasses issues. There are two Deputy Commissioners (Senior Scale) at the headquarter assisting the Commissioner, one dealing with excise policy regarding retail sale and the other dealing with beer, wine and medicinal & toilet preparations. In addition, there are two Deputy Commissioners (Junior Scale) and four Assistant Commissioners aiding the senior officers.

5. There are three officers on deputation from the other departments of the State Government assisting the Commissioner viz. Director (Enforcement and Vigilance) from the Police Department; Chief Accounts Officer from

the Directorate of Accounts & Treasury, Finance Department; and Deputy Director (Statistics and Computer Operations) from the Directorate of Statistics & Economics, Planning Department.

6. The Thirty-five districts of the State are divided into six divisions for the purpose of Administration. Each division is headed by a Deputy Commissioner (Senior Scale) who is assisted by an Assistant Commissioner and an Accounts Officer on deputation from the Finance Department to deal with audit of revenue generating units. In addition, a Flying Squad headed by an Inspector for enforcement work also functions under Deputy Commissioner. The districts over which the Divisional Deputy Commissioners have jurisdiction and their headquarters are shown as below:-

Sr.no	Divisional Deputy Commissioner's Head	Districts in the respective jurisdiction of the Divisional Deputy Commissioner denoted in column No.2 and their headquarters. [Different HQ other than name of district is shown in bracket]
i	Thane	Mumbai City [Fort], Mumbai Suburb [Bandra], Thane, Raigad [Alibaug].
ii	Pune	Pune, Ahmednagar, Solapur.
iii	Nashik	Nashik, Jalgaon, Dhule, Nandurbar
iv	Kolhapur	Kolhapur, Sangli, Satara, Ratnagiri, Sindhudurg [Oros].
v	Aurangabad	Aurangabad, Jalna, Parbhani, Hingoli, Beed, Nanded, Osmanabad, Latur.
vi	Nagpur	Nagpur, Buldhana, Akola, Washim, Amravati, Yavatmal, Wardha, Bhandara, Gondiya, Chandrapur, Gadchiroli

7. A Superintendent heads District Excise Administration who is assisted by one or more Deputy Superintendents (in major districts) and Inspectors, Sub-Inspectors and other Constabulary staff. The strength of executive officers and constabulary staff sanctioned in each district is dependant on the number of major / retail licences functioning in a particular district. Generally a Unit of executive officers and their constabulary staff is sanctioned to regulate 110 to 140 major / retail licences within their jurisdiction. Typically, a unit comprises of an Inspector, two Sub-Inspectors, one Assistant Sub-Inspector, one Driver-cum-Constable and three Constables. Each Inspector heads the Unit and each Sub-Inspector heads a Range. This Unit is responsible for enforcement work as well. The enforcement related work is also supplemented by one or more Units of Flying Squad operating at the district level. In the districts in addition to administrative staff, Deputy Superintendents; Inspectors; and/or Sub-Inspectors are posted at various revenue generating Distilleries / Manufactories / Breweries / Wineries in supervisory capacity for monitoring the revenue generated by a particular factory.

8. Except for the ministerial and supervisory staff, rest of the staff of entire department is some or the other way associated with enforcement and vigilance work. The State Government has sanctioned Flying Squads especially for enforcement related work. Each Flying Squad consists of an Inspector, two Sub-Inspectors, three Constables and one Driver-cum-Constable. Forty-five such flying squads are functioning either at district or divisional levels. One Flying Squad is operative for the entire State under the Director (Enforcement and Vigilance). All such Flying Squads and the rest of the executive officers deal with

enforcement activities like controlling illicit liquor distillation activities; detecting excise duty evasion and smuggling of non excise paid goods. The Vigilance work is mainly carried out through surprise inspections of licences and gathering information and intelligence. In addition the State Government has sanctioned twelve check posts at key locations in order to prevent inter-state smuggling and illegal transportation. The work done in enforcement and vigilance has resulted in increase in the Excise Revenue.

9. In accordance with the policy of the State Government for using Information Technology, the State Excise Department has initiated steps for computerization of the entire department so as to plug the leaks in system by keeping control over the movement of the excisable articles. In order to bring greater transparency in the working of the department, it is proposed to implement the CITIZENS CHARTER and to initiate time-bound process for disposal of all sorts of applications for various purposes.

(ii) The powers and duties of its officers and employees

As mentioned in para 1 of serial no. (i).

(iii) The procedure followed in the decision making process, including channels of supervision and accountability

In districts, the licensing authority for wholesale & retail licences of liquor is collector who takes decision on the advice of supdt. Of state excise in matters relating to these licences as per policy of the govt. The commissioner is the licensing authority for manufacturing & wholesale of country liquor licence respectively in form CL-I & CL-II. The commissioner is also an appellate authority u/s 137 of the Bombay Prohibition Act ,1949 for all orders passed by the collector. The licensing authority of licenses to manufacture IMFL in form PLL & alcoho; in form "I" is Govt. In respect of divisions, the administrative head is divisional deputy commissioner and head of the department is the commissioner of state excise who works with the assistance of Addl. Commissioner, Jt. Commissioners & Dy. Commissioners in head office.

Distillery Licence (Licence in Form -" I ")

Sugar factories (Co-operative as well as private) in the state continue to get on priority; molasses based distillery licence to manufacture and sale of spirit (alcohol) for potable as well as industrial purpose.

Units without sugar factories are allowed to manufacture industrial alcohol only for their own captive consumption. Government allowed co-operative as well as private sugar factories holding distillery licence to manufacture alcohol from sugarcane juice subject to condition that such sugar factories will manufacture sugar in case of shortage of sugar in the state.

Units without sugar factories are not allowed to manufacture alcohol from sugarcane juice.

Distillery Licence to Manufacture Ethanol (Absolute Alcohol)

Government of Maharashtra took decision to regulate & implement (as per the Central government's policy decision) to issue petrol by oil companies only after mixing 5% ethanol w.e.f. 1/1/2003.

Distilleries (from co-operative as well as private sector) are being given permission on priority for production of ethanol.

Units not having distilleries are also being allowed to manufacture ethanol by purchasing alcohol from other distilleries.

Licence to Grain Based Distillery

Government declared in its policy dated 8/3/2000, to allow to the units to manufacture potable alcohol from bases other than molasses like grains, mahua flowers, etc.

The same units can be allowed to manufacture CL as well as IMFL out of such alcohol but they cannot be allowed to use or import molasses based spirit.

Licence to Manufacture IMFL

Till 2002 only units holding distillery licence were eligible to have the licence to manufacture IMFL. This pre-condition was removed in August 2002. Accordingly, 440 applications were received for grant of PLL licences but Government decided to withdraw the proposal on the grounds of the difficulty in the scrutiny of such large number, especially in the absence of specific guidelines. In a writ petition filed by Maharashtra Liquor Bottlers Association (petition # 692 of 2004), Hon^{ble} High Court vide its decision dated 18/3/2004 directed that Government

should issue such licence only by adopting transparent policy of auction/ tender as provided u/s 139 of the Bombay Prohibition Act, 1949.

Civil Application has been filed to Mumbai HC by the govt. to review this decision.

Licence to Manufacture CL

Most of the licences are granted prior to 1983. Government (Vide notification dated 26/2/1985) has issued a ban on grant of these licences, the ban was lifted in 1999. Accordingly, 602 applications were received for grant of CL licences but Government decided to withdraw the proposal on the grounds of the difficulty in the scrutiny of such large number, especially in the absence of specific guidelines. In a writ petition filed by Maharashtra Liquor Bottlers Association (petition # 692 of 2004), Hon^{ble} High Court vide its decision dated 18/3/2004 directed that Government should issue such licence only by adopting transparent policy of auction/ tender as provided u/s 139 of the Bombay Prohibition Act, 1949.

Civil Application has been filed to Mumbai HC by the govt. to review this decision.

Excise Duty Structure

Ad Valorem Duty Scheme has been introduced in the state from 15th January 1997. Excise Duty is levied on the manufacturing cost of liquor declared by the manufacturer (Ad Valorem Duty structure is popularly known as MRP scheme) or at the specific rate whichever is higher.

The Ad Valorem Duty Scheme is as follows :-

The manufacturer / importer to the state declares manufacturing cost of his product (which is not subject to verification by the Excise Authorities). The Excise Officer authenticates the manufacturing cost. Excise Duty is charged at certain percentage fixed by the Government & also linked to MRP of the product. The specific rate of Excise Duty is also applicable. The higher of the two is chargeable.
