Maharashtra Regional & Town Planning Act, 1966
Notification under Section 37(1AA)(c)
Regulations for Development of Integrated Township Project in Thane Municipal Corporation.

Government of Maharashtra
Urban Development Department
Mantralaya, Mumbai-400 032.
Dated :- 16/09/2019

NOTIFICATION

No. TPS-1219/CR-109/19/Thane ITP/UD-12:-

Whereas, the Government in Urban Development Department has sanctioned various Development Plans (hereinafter referred to as ‘the said Development Plans’) along with their Building Bye-laws and Development Control Regulations (hereinafter referred to as ‘the said Development Control Regulations’) for All Local Authorities and Planning Authorities (including Special Planning Authorities) (hereinafter referred to as ‘the said Planning Authorities’) under the provisions of the Maharashtra Regional & Town Planning Act, 1966 (hereinafter referred to as ‘the said Act’);

And whereas, public housing has been one of the major concerns of Policy Planning. It has been realised that there is a need to incentivise investment by private sector in development of housing. Considering this, the Government of Maharashtra earlier finalized the Special Township Policy (hereinafter referred to as the “said STP Policy”) in the year 2006 and subsequently the provision for implementation of the said STP policy & Regulations (hereinafter referred to as the “said STP Regulations”) has been included in the respective Development Control Regulations of the said Planning Authorities;

And whereas, Government has made subsequent modifications in the said STP Regulations from time to time;

And whereas, the word Special Township Project is replaced by an Integrated Township Project by the amendment made in the said Act vide Maharashtra Act 43 of 2014 with effect from 22/04/2015 and henceforth
referred to as an Integrated Township Project (hereinafter referred to as the “said ITP”);

And whereas, it is under consideration of the Government that the present said STP Regulations will be modified substantially in order to utilise the maximum development potential of land, to increase the supply of affordable houses in the market and to bring clarity / simplification in the process of approval;

And whereas, in view of the above and after decision of the State Cabinet dated 14/02/2018, the Government is of the opinion that the said existing STP Regulations of the said Planning Authorities should be replaced by the new set of Regulations for the Development of Integrated Township Project (ITP) (hereinafter referred to as “the said Proposed Modification”).

And whereas, the Government, found it expedient in the public interest to take recourse of the provision contained in Section 37(1AA) of the said Act to incorporate the said Proposed Modification in the said Development Control Regulations of the said Planning Authorities;

And whereas, in exercise of the power conferred by sub-section (1AA) (a) of section 37 of the said Act, and all powers enabling it in that behalf the Government of Maharashtra in Urban Development Department has published a Notice No. TPS-1816/C.R.368/16/(Part-1)/DP-ITP/UD-13, dated 22/3/2018 (hereinafter referred to as “the said Notice”) regarding the Proposed Modification which has appeared in Maharashtra Government Gazette Extra Ordinary Part-1 Central Sub Division dated 26/3/2018 on page No. 1 to 33 for inviting objections and / or suggestions from the general public and appointed concerned Divisional Joint Director of Town Planning who is hereby authorised as an Officer under section 162 of the said Act on behalf of the Government (hereinafter referred to as “the said Officer”);

And whereas, after completing all the legal procedure as mentioned in the said Act, the said Officer in respect of konkan Division has submitted his report to the Government regarding the said Proposed Modification vide letter dated 6/7/2018;

And whereas, after considering the report of the said Officer and after making necessary enquiries and after consulting the Director of Town Planning, Maharashtra State, Pune, the Government is of the opinion that the Proposed
Modification in respect of the Thane Municipal Corporation should be sanctioned as mentioned in Annexure-A;

Now therefore, in exercise of the powers conferred by sub-section (1AA)(c) of section 37 of the said Act, Government hereby accords sanction to the Proposed Modification in respect of Thane Municipal Corporation with some changes and replaces all the said existing Regulations for Development of Special Township Project by the new set of Regulations for Development of Integrated Township Project appended herewith in Annexure-A.

02. The date of publication of this notification in the Maharashtra Government Gazette is fixed as the date of coming into force of this sanctioned modification.

03. The aforesaid sanctioned modification is made available for inspection by the general public during working hours on all working days for the period of 1 Month at the following offices:

   ii) The Joint Director of Town Planning, Konkan division, Konkan Bhavan, Navi Mumbai.
   iii) The Assistant Director of Town Planning, Thane Branch, Thane.

04. This notification is also available on the Government website www.maharashtra.gov.in (कायदे / नियम).

By order and in the name of Governor of Maharashtra,
Ashok Kashirao Khandekar

कार्यांना अधिकारी.
REGULATION FOR DEVELOPMENT OF ‘INTEGRATED TOWNSHIP PROJECT (ITP)’

1. Applicability :-

These regulations shall be applicable to the areas under Development Plan within the jurisdiction of Thane Municipal Corporation sanctioned under the provisions of the Maharashtra Regional and Town Planning Act, 1966 (hereinafter referred to as “the said Act”).

If the ITP falls within the jurisdiction of more than one authority then in such cases Government can issue directives at the time of Locational Clearance or at any time regarding which authority will give permission and supervise the project subject to terms and conditions as may be specified.

2. Requirements of Site:--

The area proposed for Integrated Township shall fulfill the following requirements:--

i) Any suitable area having area of 40 hectare (100 Acres) or more at one place.

ii) The area shall be one, contiguous, unbroken and uninterrupted. Provided that, such area if divided by one or more water courses (such as nalas, canals, etc.), existing or proposed roads of any width or by railways, pipeline etc., shall be treated as one, contiguous, unbroken and uninterrupted, subject to condition that the Project Proponent/s shall construct necessary connecting roads or bridges as per site requirements at his own cost with due permission from concerned authorities. Integrated Township area may also include;

a) Lands in afforestation zone provided that such land is not a forest land and subject to no construction being allowed on land having slope more than 1:5.

b) Lands within the buffer zone of National Park subject to restriction on development permissible in such buffer zone and subject to NOC of Forest Department.

c) Tribal land subject to permission granted under MLR code, Government lands allotted to project proponent subject to clause 13.2.

d) Private forest land that have been restored back after completion of section 22(a) Enquiry of Maharashtra Private Forest Act, 1975 shall be allowed to be part of the ITP with the condition that development permission shall be granted on such land only after necessary permission under the provision of Forest Conservation Act, 1980.
e) Buffer zone of Eco-sensitive Zone notified subject to all restriction on development and FSI permissible in such buffer zone.

f) Areas under flood line / flood zone subject to clearance from Water Resource Department.

g) Areas under Hill Top / Hill Slope Zone, and b, e, f mentioned above as shown on Development Plan subject to condition as mentioned in Clause 7.1.3. However total of these areas shall be restricted to maximum 40% of total area under ITP.

iii) If the Integrated Township area is more than 200 Ha., it can be segregated as long as each parcel is more than 40 Ha. and is located within a radius of 5 kms. Provided that the land use mix is maintained in each parcel.

iv) The area shall have an access by means of an existing, or proposed road having minimum width of 18 mt. In case of proposed road, such area shall have an access by existing road having width 12 mt. for the purpose of granting locational clearance and LoI of such project, but it is necessary for the project proponent to have an existing access of 18 mt. before sanction of Commencement Certificate to the FSI beyond 25% of project. Provided that Government land or land belonging to tribles can be considered for the purpose of road if there is a registered agreement. However development permission shall be granted only after due permission of appropriate authority is given.

v) The ITP Area shall not include the area under:

a) Notified forest, (excluding the private forest land subject to NOC of forest Department.)

b) Water bodies like river, creek, canal, reservoir, etc. Mangroves, Tidal Zone, Mud Flats.

c) The area under Notified National Parks.

d) Defence Estates

e) Cantonment Boards

f) Any restricted area.

g) Quarry Zone, Notified SEZ, designated port/harbour areas, wildlife corridor and biosphere reserves, Gaotan/Congested Area.

h) The historical and archeological places notified under the relevant act.

i) Any other area that may be declared by the Govt. of Maharashtra from time to time.
3. **Ownership of Lands:**

The project proponent shall have the ownership of all the land parcels under project.

(Explanation - for this clause, ownership includes rights accrued vide one or more registered Development Agreement or Power of Attorney (PoA) for such development and disposal, on behalf of land owner/owners).

4. **Permission and Declaration of Project by State Government:**

4.1 The Project Proponent shall apply to the State Government for obtaining permission and declaration of such project to be a “Integrated Township Project”. Such application shall be accompanied by the following attested documents in two sets:

   a) Details of ownership of land viz. extracts of V.F.No. 7/12 or Property Register Cards, in original having date not more than six months prior to the date of submission. In case of rights accrued through registered Development Agreement or PoA, attested copies of such documents.

   b) Self-attested list of S.No./G.No./CTS showing name of owner as per record of rights, total area of such land parcel, area owned by the applicant in such land parcel, the name of person/company owning the Development Rights, area proposed to be included in project from such land parcel.

   c) Part plan of sanctioned Development Plan, showing all the lands falling in the project.

   d) No Objection Certificate from the officer at Divisional level, Water Resources Department in respect of lands falling in “Command Area” of any Irrigation Project unless these powers are exercisable by the higher authority.

   e) Village maps showing the lands falling in the project.

   f) Certificate from concerned Forest Officer not below the rank of Dy. Conservator of Forests at Divisional level (unless these powers are exercisable by higher authority), showing that the lands under project do not form part of and not included in reserved forest or protected forest or non-classified forest or not acquired under the provisions of the Maharashtra Private Forest (Acquisition) Act, 1975 and also, confirming that such lands do not form part of the Notified National Parks, prohibited area of Notified Wildlife Sanctuaries and Notified Bird Sanctuaries.

   g) Certificate from the concerned revenue officer not below the rank of Tahasildar, showing the lands under project do not include lands belonging to tribal or that tribal land included in ITP have necessary permission under MLR code.

   h) Certificate from the Director of Archaeological Department, Maharashtra State, showing that the lands under project do not include monuments.
notified by the Archaeological Department, Heritage buildings and Precincts. Such certificate should also mention the distance to be kept around such places, if any.

i) Receipt of processing fee (non-refundable) paid, at the Thane branch office of the Town Planning Department, at the rate of Rs.5000/- per ha. for the current year with the yearly rise of Rs.500/- per ha. starting from the month of January every year.

4.2 On receipt of an application under Clause 4.1 above, the Government may, after consulting the Director of Town Planning, Maharashtra State, by notification in the Official Gazette, grant the Locational Clearance and declare such project to be a “Integrated Township Project”, subject to such general and/or special conditions or, reject the application, under the provisions of Section 44(2) of the said Act, as the case may be within a period of 90 days from the date of receipt of application or reply from the Project Proponent in respect of any requisition made by the Government, whichever is later. If the project proponent fails to comply with the conditions specified while granting locational clearance within the specified time limit, then in such cases locational clearance given earlier stands automatically cancelled and no refund or adjustment of premium / fees / expenses etc. shall be eligible.

(Explanation - In the circumstances described in Clause 4.2, such grant of permission and declaration of project shall be made under the provisions of Section 44(2) of the Maharashtra Regional and Town Planning Act, 1966 )

4.3 Every such permission and declaration shall remain in force for a period of two years, if not applied for Letter of Intent under Clause 5, from the date of issue of Locational Clearance Notification and thereafter it shall lapse.

Provided that, the Director of Town Planning, Maharashtra State, Pune may, on application made by Project Proponent before expiry of the above period extend such period by two years in aggregate. Provided also that, it is not mandatory on Project Proponent to submit all the papers afresh as prescribed under Clause 4.1, however the affidavit regarding the ownership of land about any dispute shall be mandatory.

4.4 Such lapse shall not bar any subsequent application for fresh proposal.

4.5 The Director of Town Planning, Maharashtra State, on the request of Project Proponent, by notification in the Official Gazette, may grant to add or delete any area, not exceeding 50% of the total area under Locational Clearance,
subject to condition that the remaining area shall not be less than 40 Hect. The permissible FSI and other parameters shall increase or decrease accordingly.

5. **Letter of Intent (LOI) by the Collector:**

   5.1 The Project Proponent shall apply to the Collector for obtaining the Letter of Intent for such project. Such application shall be accompanied by the ownership documents as prescribed in Clause 4.1(a) & 4.1(b) and with locational clearance notification issued by the Government.

   5.2 The Collector shall verify and satisfy himself that Ownership and Development Rights of all the lands under project are with the Project Proponent before issuing the Letter of Intent.

   5.3 On receipt of an application under Clause 5.1 the Collector shall grant the Letter of Intent for the whole area or separately for any part thereof, which shall not be less than 40 Ha. at the first instance, subject to conditions as may be deem fit, or reject the application, within a period of 45 days from the date of receipt of application or reply from the Project Proponent in respect of any requisition made by the Collector, whichever is later.

     Provided that, in case of rejection, the Collector shall mention the grounds for such refusal.

   5.4 Every such Letter of Intent shall remain in force for a period of two year, if not applied for Development Permission under Clause 6, from the date of issue of Letter of Intent, unless renewed. Provided that, the Collector may, on application made by Project Proponent before expiry of the above period extend such period by two years in aggregate. Provided also that letter of intent granted by collector under earlier regulations may also be extended subject to other conditions of these regulations.

6. **Master Layout Plan Approval by the Municipal Commissioner:**

   6.1 The Project proponent shall apply to the Municipal Commissioner for obtaining the approval to the Master Layout Plan of the entire area as per Letter of Intent. Such application shall be accompanied by the documents in two sets as prescribed below:-

     a) Attested copy of Gazette Notification issued by the Government under Clause 4.2.
b) Attested copy of Letter of Intent issued by Collector under Clause 5.

c) Part plan of sanctioned Development Plan showing the lands under the Master Layout Plan.

d) Village Map showing the lands under the Master Layout Plan.

e) In case, project has no access from existing road having right of way of 18 m. then documents showing the ownership or registered agreement for permanent write of ways as the case may be of Project Proponent in lands proposed for 18 m. wide access road.

f) Bank Guarantee of requisite amount as prescribed in Clause 12.6.

g) Undertaking and Affidavit as may be prescribed by the Municipal Commissioner.

h) Copies of Master Layout Plan with or without Building Plans in three sets prepared and signed by expert in respective field and team headed by an Architect or Town Planner registered with Institute of Town Planners India (ITPI) with sign of owner/developer.

i) Contour map showing contour levels of lands under Master Layout Plan. Trueness of the contour shall be certified and attested by the surveying agency and the Project Proponent under his signature and seal.

j) Colored google earth image / Bhuvan image/ Drone survey image etc. showing lands under Master Layout Plan signed by project proponent.

k) Phased Program for development of physical infrastructure with amenities under project, along with the project cost details.

6.2 If the application is not accompanied by the documents mentioned in Clause 6.1, the Municipal Commissioner shall convey the same to the Project Proponent immediately within 10 working days giving specific time period for fulfillment of such documents and if the same are not submitted by the said project proponent in given time then return the proposal at his level only.

6.3 On receipt of application, complete in all respects, as prescribed under Clause 6.1, the Municipal Commissioner shall forward the same to the concerned Divisional Joint Director of Town Planning for technical consultation within 10 working days.

6.4 The office of the Divisional Joint Director of Town Planning shall send its remarks to the Municipal Commissioner within two months from the receipt of proposal from the Municipal Commissioner or receipt of reply from the Project Proponent in respect of any requisition made by him, whichever is later. Such
master layout approval will be given with the condition that project proponent will not commence work without environmental clearance. Such environmental clearance shall be submitted at the time of sanction to the building permission. Sanctioned master Plan layout alongwith complete set of drawings shall be endorsed to the Municipal Commissioner required for the further permissions.

6.5 Approval to the Master Plan:– The Municipal Commissioner shall grant approval to the master layout or reject the application, within one month from the receipt of reply from the Divisional Joint Director of Town Planning as mentioned in 6.4.

6.6 Approval to the building plan:– Detailed building permission under the master layout plan sanctioned as per clause 6.5 shall be granted by the Municipal Commissioner with prior consultation as prescribed in to clause 12.4 within 30 days from the receipt of the proposal from the project proponent as mentioned in 6.6.1.

6.6.1 - The Project Proponent shall apply to the Municipal Commissioner, for grant of building permission, alongwith all relevant documents and attested copy of Environment Clearance for the project from MoEF or the Authority empowered by the MoEF.

6.6.2 - The Project Proponent shall submit the certificate of Architect regarding completion of plinth stating that the construction of plinth is as per the approved building Plans to the Municipal Commissioner along with approved Plan. The Municipal Commissioner shall verify the same within stipulated time period. If it is found that the construction of plinth is not as per the building permission sanctioned, the said office shall reject such plinth checking certificate. In such circumstances, the Project Proponent shall either demolish the said plinth or get the revised plan sanction according to changes. If it is found that the construction of plinth is as per the building permission sanctioned, then granting the plinth checking certificate is not necessary.

However notwithstanding anything mentioned herein above, before grant or refusal to the Master Layout Plan, the Municipal Commissioner shall, consult the, concerned Divisional Joint Director of Town Planning as prescribed in Clause-6.3 and 6.4, if the Town Planning Officer posted in Municipal Commissioner is below the rank of Joint Director of Town Planning.
7. **Planning Considerations:**

7.1 **Permissibility in respect of Zoning:**

7.1.1 Notwithstanding anything contained in any regulation for the time being in force, the project to be notified under this regulation may be permissible in any land-use zones of sanctioned Development Plan, excepting areas mentioned in Clause 2 (v).

7.1.2 For the areas falling in zones, other than residential, commercial as per the sanctioned Development Plan the Project Proponent shall have to pay a premium for permitting project in such zones at the rates prescribed below:

<table>
<thead>
<tr>
<th>Sr. No.</th>
<th>Type of Zone</th>
<th>Premium Charges</th>
</tr>
</thead>
<tbody>
<tr>
<td>a</td>
<td>Afforestation Zone, Hill Top &amp; Hill Slope Zone as shown on Development Plan.</td>
<td>15 %</td>
</tr>
<tr>
<td>b</td>
<td>Public / Semi-public Zone, Industrial Zone,</td>
<td>8 %</td>
</tr>
<tr>
<td>c</td>
<td>Agriculture/ No Development Zone/G1 zone / Low Density Residential Zone / Buffer Zone of ESZ and other zones except at Sr. No. a &amp; b above.</td>
<td>10 %</td>
</tr>
</tbody>
</table>

**Explanation:** Premium charges shall be calculated by considering the agriculture land rate of the said land as prescribed in Annual Statement of Rates (ASR) without applying the guidelines. If agriculture land rate is not mentioned in ASR for the said land in such cases Agriculture land rate of nearby land in the same village shall be considered. If agricultural land rate is not mentioned in the said village in such cases average agricultural land rate of nearby villages shall be considered for calculation of premium. Out of total premium 10% shall be paid at the time of Locational Clearance, 10% paid at the time of letter of Intent, 20 % at the time of sanctioning of Master Layout Plan and remaining 60% shall be in four equal installments per year and subject to interest as per Prime Lending Rate. (PLR)

7.1.3 **Restriction on development** - No construction shall be permitted on the lands within the HFL (*Blue line*), land in Hill Top & Hill Slope Zone and on
lands having slope equal to or more than 1:5 in the said Project, whether specifically marked as such on the Development Plan or not. No development of any sort and activity involving cutting / leveling / filling shall be permissible on such sloping lands. Provided that, it shall be permissible to use such lands for Plantation, Park, Garden purposes, access road to township development with minimum cutting and other users as otherwise permissible in Development Plan and the FSI of such lands shall be permissible to the extent as prescribed in Clause 7.2.

7.1.4. In the Buffer zone of notified ESZ and in ESZ’s, only those development activities and FSI as permissible under MoEF notification of the ESZ (as amended from time to time) under Environment Protection Act, 1986 shall be permitted. All the development in these buffer zones shall be in accordance with MoEF notifications.

7.2 Permissible Floor Space Index (FSI):-

7.2.1 Notwithstanding anything contained in any regulation for the time being in force, if premium as mentioned in 7.1.2 is paid by the project proponent then the basic permissible FSI for such project shall be 1.0 to be calculated on Gross Plot Area under Master Layout Plan without deducting any areas under the slopes, within HFL, etc.

7.2.2 Further, additional FSI on payment of premium as mentioned below shall be permissible on payment of premium at the rate of 10% of the weighted average land rate of the said land as prescribed in Annual Statement of Rates for the relevant year, without applying the guidelines therein. Such premium shall be paid at the time of Building permission.

<table>
<thead>
<tr>
<th>Area under Township</th>
<th>Additional built-up area on payment of premium</th>
</tr>
</thead>
<tbody>
<tr>
<td>40 hectare and up to 200 Hectare.</td>
<td>Up to 70% of basic permissible FSI</td>
</tr>
<tr>
<td>More than 200 hectare and up to 500 Hectare.</td>
<td>Up to 80% of basic permissible FSI</td>
</tr>
<tr>
<td>More than 500 hec. Hectare.</td>
<td>Up to 100% of basic permissible FSI</td>
</tr>
</tbody>
</table>

7.2.3 Over and above the FSI as prescribed above, an additional FSI in lieu of construction of tenements for social housing shall be permissible as prescribed in Clause 9, without charging premium.
7.2.4 It shall be permissible to utilise the maximum permissible built-up area as prescribed above, anywhere in the area under sanctioned Master Layout Plan.

7.3 Mandatory Town-Level Amenities - Area and FSI Allocations:-

Master Layout Plan shall provide for town-level area and FSI allocation, to be kept at one or more places, as follows:-

a) Spaces for Recreation:-

<table>
<thead>
<tr>
<th>Sr. No.</th>
<th>Particulars</th>
<th>Minimum Area Required</th>
<th>Conditions</th>
</tr>
</thead>
<tbody>
<tr>
<td>i</td>
<td>Garden/s and Park/s</td>
<td>5% of Master Layout Area.(out of this 50% area may be allowed on Hill Top Hill Slope Zone, Buffer Zone of ESZ and within HFL)</td>
<td>Out of this at least 1000 sq. mt. area shall be kept open for Town Plaza/Town Square, at one place and remaining area shall be kept open and may be allowed to be proposed at suitable places. Major public amenities / activities shall be cluster around this area.</td>
</tr>
<tr>
<td>ii</td>
<td>Play Ground/s</td>
<td>7.5% of Master Layout Area (may be allowed in Buffer Zone of ESZ having slope less than 1: 5)</td>
<td>Maximum 10% of area under Play Ground which may accommodate indoor games, stadiums and allied users only.</td>
</tr>
</tbody>
</table>

(Note - These spaces shall be exclusive of open spaces to be required at sector-level layouts. Notwithstanding anything contained in DCR, 10% open space shall be provided in sector level layout. Such open space shall be calculated by considering area of the sector excluding roads in Master Layout Plan and Town Level Amenity spaces except Economic Activities.)

b) Spaces for combined School (Primary School + High School) -

<table>
<thead>
<tr>
<th>Sr. No.</th>
<th>Particulars</th>
<th>Minimum Area Required</th>
<th>Minimum Built-up Area required</th>
</tr>
</thead>
<tbody>
<tr>
<td>i</td>
<td>For Master Layout area of 40 Ha.</td>
<td>5,000 sq.m.</td>
<td>5,000 sq.m.</td>
</tr>
<tr>
<td>ii</td>
<td>For Master Layout area more than 40 Ha.</td>
<td>To be increased proportionately with increase in Master Layout area and be proposed at one or more locations, as per requirements.</td>
<td></td>
</tr>
</tbody>
</table>
**Note**-

a) The requirements prescribed above are by considering School to be run in double shift,
b) Requirement of plot area and built up area shall be exclusive of Play Ground spaces. Hence it is mandatory to show separate Play Ground adjoining to school building at the rate of 7 sq. m. / student.
c) **Community Health Care Facilities**:-
Primary and Secondary Health Care Facilities like Dispensary, Maternity Home, Hospital etc.

<table>
<thead>
<tr>
<th>Sr. No.</th>
<th>Particulars</th>
<th>Minimum Area Required</th>
<th>Minimum Built-up Area required</th>
</tr>
</thead>
<tbody>

**Note:**

i) If the facility of Cremation Ground/ Burial Ground is available nearby where the Township is located in such case these requirements need not be insisted.

ii) If Police Station is available within 1k.m. area from the proposed Township, then such facility need not to be provided.

h) Transport & Communication:-

i) The entire area of the project shall have a proper road pattern, taking into consideration the linkages with proposed roads of D.P., existing roads within
the project and outside area as well. All such roads shall be developed by the Project Proponent as per standard prescribed by the Indian Road Congress.

ii) The width of the -
   i) Classified Road should not be less than as may be prescribed by concerned public authority;
   ii) Main / Arterial / Ring Road should be of minimum right of way of 18 mt.
   iii) Other Sub-Arterial roads, Collector streets, local streets, etc., shall be proposed as per the requirements to cater to the need of occupancies on such roads including for pedestrians.
   iv) Network of cycle track in entire Township area of minimum width of 3 meter shall be provided without clashing with the vehicular traffic, to the extent possible.

iii) It may be permissible for Project Proponent, to realign the Development Plan Roads, and earlier existing roads passing through the project area, without changing the entry and exit points of such roads.

iv) All Development Plan Roads and all the Main / Arterial / Ring Roads, shall always be open for general public, irrespective of the fact that, they resides in the project or not.

**General Note for Amenities (a) to (h):**

i) The requirements prescribed above for items (a) to (f) are by considering FSI proposed for the project is only 1.0. If the FSI proposed is increased or decreased then the only built up area requirement shall be increased or decreased proportionately.

ii) The requirements prescribed above for items (g) are for Master Layout area up to & inclusive of 200 Ha. It shall be increased proportionately and may be proposed at one or more locations, as per requirements.

### 7.5 Share of Thane Municipal Corporation-

The Integration of Integrated Township Projects included in the Thane Municipal Corporation area, an area @ 2% of the gross area shall be earmarked
and shall be handed over free of cost to the Thane Municipal Corporation for Development of the City Level Facilities.

For determining eligibility of ITP, the above 2% area shall be considered in area calculation. This area shall not contain area under hill slopes, and shall be accessible by major road. Base FSI of such 2% land shall be made available to the applicant on remaining land.

8. **Development Control Regulations**:

For those aspects which are not covered under this regulation, the prevailing provisions as prescribed in the Development Control Regulations of the Thane Municipal Corporation shall apply *mutatis-mutandis*. The provisions of MoEF CRZ notifications amended from time to time shall also be applicable.

However, where in prevailing DCR of the Thane Municipal Corporation the maximum height of building is not mentioned in such cases the maximum height shall be allowed as per the prevailing Development Control Regulation and any restriction imposed by Chief Fire Officer.

9. **Social Housing**:

9.1 The Master Layout Plan shall provide sufficient space for construction of small tenements for persons from EWS and LIG categories (hereinafter referred to as the “Social Housing Component”), as a social responsibility with FSI as mention in Clause 9.3. Out of this Social Housing Component 25% FSI shall be utilised exclusively for construction of EWS tenements and remaining 75% FSI may be used for LIG tenements. Out of the total tenements constructed as Social Housing component, one third (1/3rd) tenements shall be kept for Affordable Housing tenements which will be disposed as per MHADA policy by the project Proponents.

9.2 Social Housing tenements shall be constructed with area as specified by the MHADA for EWS and LIG category respectively.

9.3 The minimum Social Housing component shall be constructed at 15% of the Residential basic FSI of the area available for Residential Development as prescribed in Clause 7.4 (hereinafter referred to as the “Social Housing component”).

9.4 Social Housing tenements shall be constructed as per the general and special specifications prescribed by concerned unit of MHADA for their projects.
9.5 The Project Proponent, after getting commencement certificate of Social Housing component as mentioned above shall immediately intimate to MHADA regarding the numbers of Social Housing Component to be disposed by them to the allottee. Upon such intimation, MHADA within a period of six months, from the date of receipt of such intimation after following procedure of lottery system shall prepare the list of the allottee from the district as far as possible and forward it to the Project Proponent. The project proponent shall dispose of such housing tenements to the allottee at the construction cost mentioned in ASR applicable of the year of disposal plus 25% additional cost. Out of this 25% additional cost, 5% shall be paid to MHADA towards administration charges.

Provided that if the MHADA is unable to provide the list of the allottee as mentioned above or the allottee fails to deposit the amount within specified time limit then the project proponent shall dispose of such social housing tenements in the market at the construction cost in ASR applicable to the land of the year of disposal plus 20% additional cost.

9.6 Every Occupation Certificate for the regular tenements shall be granted only alongwith the Occupation Certificate in proportionate with Social Housing component.

9.7 Amalgamation of such Social Housing tenements shall not be permitted in any case.

9.8 The purchaser of tenement under social housing shall deposit an amount equivalent to 10% of the construction cost of tenement, as prescribed in Annual Statement of Rates prevailing at the time of occupation, with the Project Proponent as one-time maintenance deposit for onsite infrastructure maintenance.

9.9 The Project Proponent shall maintain the premises and common spaces outside the building of social housing including concerned all basic infrastructure and amenities, in good condition in the same manner with the maintenance of remaining area of the project.

9.10 The purchaser of tenement under social housing shall have to pay all the government taxes, duties like stamp duty, GST etc. and also the fees charged for use of common amenities, to the Project Proponent, as per the requirement, from time to time.
10 Liability of Project Proponent/s:-

10.1 The entire project shall be an integrated one with all facilities within the boundaries of such project. All the on-site infrastructure i.e. internal roads, approach road, street lights, water supply and drainage system shall be mandatory and constructed / maintained in future by the Project Proponent. Proposed internal roads and Open Spaces in the layouts shall be used only for ITP.

10.2 The Development Plan Roads & Reservations which are included in ITP shall be Developed by project proponent and after development made available to the general public. The reservations may be allowed to shift within 500 mt. (within Township Area Only) in consultation with Director of Town Planning Maharashtra State, Pune.

10.3 It shall be the responsibility of the Project Proponent to develop and maintain all the infrastructure in good condition till handing over to the appropriate authority.

The project proponent may collect periodical contribution or raise corpus funds for the maintenance of infrastructure from the purchasers of tenements or statutory bodies of the purchasers of tenements formed by the developer for this purpose.

Provided that, the Project Proponent shall handover the infrastructure, for maintenance purpose, only after the completion of the project, to the Thane Municipal Corporation or appropriate authority.

10.4 Project Proponent shall mandatorily provide facilities for making the Township SMART -

i) For the people residing in the project area, an efficient and timely public transportation system up to the nearest public transportation station/hub/depot/stand. He shall develop it himself or tie with Government / Semi Government or private transport agency for such efficient public transportation. The number of buses and trips will be decided by MSRTC / Local Transport Authority;

ii) Continuous unobstructed footpath of minimum 2 m. width on either sides of all street / roads of width 12 m. or more and of a lesser width for roads / Streets of less than 12 m.;

iii) Dedicated and physically segregated bicycle track with a width of 3 mt. or more, should be provided for entire Township Area;
iv) Pedestrian friendly pathways, encouragement to non-motorized transport, intelligent traffic management, non-vehicle street / zones, smart parking, energy efficient street lighting visible improvement in the area i.e. replacing existing overhead electric wiring with underground wiring, encroachment free public areas;

v) Arranging generation of power through non-conventional energy sources like solar, wind and other shall be mandatorily provided with at least 10% of total requirement of common physical infrastructure of the project;

vi) To provide energy management by adopting advanced technology like installing Solar Water Heating System, Solar Lamps/Lights in common areas, LED Lamps, auto-operated street lights, solar pumps, etc. all external lighting shall be of LED, Solar Water Heating System, Solar Lamp shall be compulsorily provided;

vii) To provide effective water management by adopting water harvesting techniques like rain water harvesting, recycling of used water, metered water supply to the users under project, double plumbing pipeline .The recycled water shall be used for flush system, gardening, carwash and industrial use;

viii) To provide effective safety & security measures like CCTV surveillance at strategic locations, centralized control room, etc.;

ix) Arranging smart and fast internet/broad band connectivity to all residences, e-governance online system for grievance redressed;

x) Encouraging and providing platform for citizens participations in decision making about public community issues;

xi) Arranging real time environmental monitoring i.e. air pollution, noise pollution etc. shall be observed;

xii) Encouraging and providing platform for e-DCR for building plans with BIM, 3-D maps on GIS of the utility services network and properties in the city, central command, control and emergency response center for all infrastructure facilities. Project Proponent shall also provide urban design concept plans along with Master Plan;

xiii) It shall be obligatory on the part of Project Proponent to provide the infrastructure and green building norms that are necessary as per the guidelines as may be laid down by the Government, under the policy of development of ‘Smart City’ from time to time;

xiv) Ensure that the buildings have at least 3 star ratings from GRIHA.
10.5 Project Proponent shall also mandatorily provide for:-

a) Water Supply - Safe and potable drinking water at the rate of 90 liters per capita per day, exclusive of requirement of water for firefighting and gardening purposes. The storage capacity of the same shall be at least 1.5 times of the actual required quantity as determined by expected population (Resident and Floating) and other uses. The Project Proponent would be required to develop proper internal distribution with double pipe plumbing for reuse of treated water at appropriate places and maintenance system along with smart metering and shall specially undertake rain water harvesting, groundwater recharging and waste water recycling within the project.

Provided that, the Project Proponent should not use groundwater as a source of water, to meet the above requirement.

b) Drainage and Garbage Disposal:- The Project Proponent shall make suitable and environment friendly arrangements for the disposal and treatment of sewage and solid waste generated in the project at source, as per the norms of the Maharashtra Pollution Control Board. The Project Proponent shall provide zero discharge in ITP for solid as well as liquid waste.

The Project Proponent should provide facilities for water conservation by different means such as Rain Water Harvesting, Recycling of Waste Water, etc. and also set-up, in the project area itself, the Solid Waste Management Project (SWMP) with a sufficient capacity for processing of 100% garbage and solid waste.

c) Power:- The Project Proponent shall ensure continuous and quality power supply for the project area. The Project Proponent may draw the power from any existing supply system or may go in for arrangement of captive power generation with the approval from the Municipal Commissioner. If power is drawn from any existing supply system, the Project Proponent shall, before commencement of development, procure a firm commitment of power for the entire Township from the power supply company.

11 Occupancy Certificate:-

11.1 Application for obtaining the Occupancy Certificate for buildings in project, in full or part shall be submitted by Project Proponent to the Municipal Commissioner. Such application shall be accompanied by -

a) All the relevant documents alongwith coloured Google Earth / Bhuvan /Drone survey image showing the area under Master Layout Plan;
b) Documents showing compliance of the conditions prescribed while according sanctions from time to time;
c) Appropriate declaration and undertaking made by the Project Proponent and his technical personnel;
d) Any other requirement as may be prescribed by the Municipal Commissioner.

11.2 On receipt of application as prescribed under Clause 11.1, the Municipal Commissioner shall forward the same to the concerned officer as stipulated in clause 12.4 for technical consultation, within 10 working days.

11.3 The concerned officer shall send his remarks to the Commissioner within one month from the receipt of proposal or receipt of reply from the Project Proponent in respect of any requisition made by him, whichever is later.

11.4 The Municipal Commissioner shall grant Occupancy Certificate or reject the application giving specific reason within fifteen days from the receipt of reply from the concerned officer.

11.5 The Municipal Commissioner, before issuing the Occupancy Certificate for the project as a whole, shall verify and satisfy himself about the completion of erection / development / construction of all the basic required infrastructure in Master Layout plan. In case, an application for part occupancy, such completion shall be as prescribed in phase programme.

12. General Stipulations:-
12.1 Development of basic infrastructure and amenities shall be completed by the Project Proponent to the satisfaction of the Municipal Commissioner either for whole or as per phases, of the project.

12.2 It shall not be mandatory for the Project Proponent to provide Amenity Space, inclusive housing as otherwise required as per regulation of Development Plan, if any.

12.3 The Project Proponent shall plant indigenous trees at the rate of at least 150 trees per ha. and maintain it properly. The certificate to that effect issued by the tree authority of the planning authority for this purpose shall be produced by Project Proponent at the time of application for Final Occupation Certificate under Clause 11.
12.4 Before grant or refusal to the Master Layout Plan, Municipal Commissioner shall, consult the, concerned Divisional Joint Director of Town Planning as prescribed in Clause-6.3 and 6.4, if the Town Planning Officer posted in Thane Municipal Corporation is below the rank of Joint Director of Town Planning.

12.5 All the amounts of scrutiny fees, charges, premium etc. payable to the Government shall be deposited with the Thane Branch office of the Town Planning. In circumstances described in proviso of Clause 1 above, 50% of such amount shall be deposited with the Thane Branch office of the Town Planning, and 50% to the Thane Municipal Corporation.

12.6 The Project Proponent shall submit a bank guarantee of an amount equal to the 15% of estimated development cost required for development of the basic Physical infrastructure such as roads, water supply, drainage & garbage disposal, Trunk installations for power supply, fire brigade station & fire engines. Such development cost be worked out as per respective phases taking into consideration the phased programme for development of infrastructure with amenities under project as submitted and as required under clause 6.1. Certificate regarding estimated development cost shall be produced by the respective Architect of the project. If Bank Guarantee as mentioned above is submitted then separate security deposit shall not be insisted by the authority.

12.7 The Project Proponent shall construct the Fire Station building & Infrastructure at their cost and hand over to the Planning Authority with necessary equipments. After completion of fire station and as per requirement such fire brigade/station shall be handed over to the nearest Thane Municipal Corporation on the terms and condition decided by the Municipal Commissioner and project proponent.

12.8 Developer shall complete the Integrated Township Project within 10 years or such period as allowed by the Government from the approval to the master plan. Developer shall develop and maintain all infrastructures (internal street light, roads etc.) up to the completion of the ITP project. Within such period, the concession in property tax levied by the Thane Municipal Corporation shall be 66% of normal rate as prescribed under the Maharashtra Municipal Corporation Act. Such property tax shall be levied after the actual possession or issuing of Occupancy Certificate whichever is earlier.
The utilities like fire brigade, police station/chauki etc. shall be handed over to the concerned Authority at the terms and condition decided by the concerned authority.

12.9 Licensing to the Project Proponent - The Thane Municipal Corporation shall provide licenses to the Project Proponent for telephone Connection, Power and other utilities in the Township area as per existing rules & regulations. After granting the license from the Thane Municipal Corporation, the project proponent shall provide utilities in the Township area as per the conditions laid down by the Thane Municipal Corporation.

12.10 It shall be mandatory for the Project Proponent to provide appropriate width of road as per existing width or as per easement rights to the land not owned by the project proponent which is surrounded by the Township Area.

13. Special Concessions:-

13.1 Deemed conversion for Non-Agricultural (N.A.) Use:- The lands under approved Master Layout Plan shall be considered as deemed N.A. No separate permission shall be required under the provisions of Maharashtra Land Revenue Code, 1966. The amount of non-agricultural assessment shall be exempted to the extent of 50% of the normal rate for the land under Integrated Township Project.

13.2 Grant of Government land: - The Government lands, if surrounded or adjacent by the lands owned by the Project Proponent, may preferably be granted to the Project Proponent, as per the rules and regulations to that effect, by the Revenue and Forest Department of the State Government. Maximum 10% of the total area under township shall be allowed to be included in such township.

13.3 Concession in Stamp Duty: - For the purchase of land by project proponent for township area or for the first transaction from Project Proponent to Purchaser of any unit under any user from approved Master Layout Plan or subsequent building plan under this Regulation, concession of 50% of stamp duty as otherwise required under the Mumbai Stamp Act, shall be granted. This concession will be available only at one stage i.e. either at the time of land purchase or at the time of sale of units. Also, if the project proponent assigns the rights to his own subsidiary companies for the running of the Amenities in such Township project as per the approved plan in such cases concession of 50% of
13.4 Exemption in payment of Development Charges:- 50% of the amount of Development Charges under sub-section (3) of Section 124F of the said Act shall be exempted for institution use or, change of use of any land or building or, development of any land or building, proposed for project undertaken by a Project Proponent under this Regulation.

13.5 Relaxation from Mumbai Tenancy and Agriculture Land Act:- The condition that, only the agriculturist will be eligible to buy the agriculture land shall not be applicable to the Project Proponent for purchasing agriculture land for Integrated Township under this Regulation.

13.6 Exemption from Ceiling for holding agriculture land:- The limit for holding agriculture land, stipulated in the Maharashtra Agricultural Lands (Ceiling and Holdings) Act, 1961 shall not be applicable to the Project Proponent for development of Integrated Township Project under this Regulation.

13.7 Exemption from scrutiny fee:- The amount of scrutiny fee shall be exempted to 50% of the normal rate for building permission under Integrated Township Project.

13.8. Exemption from royalty on minor minerals:- The amount of royalty on minor minerals as per the Maharashtra Minor Mineral Extraction (Development and Regulation) Rules shall be exempted to the extent of 50% for the earth which is extracted while developing the land within Township area and fully exempted if the said excavated material is used in the same project.

14. Transition Policy:-

14.1 It shall be permissible for the Project Proponent, to whom Special Township Project has already been granted location clearance and / or LOI or the project is ongoing wherein part Occupancy Certificate is granted.

a) Continue such Special Township Project under the erstwhile regulations under which LC is granted without considering these regulations.

b) If the project proponents wish to develop township according to this regulations then he may apply for grant of Letter of Intent or Master Layout Plan as the case may be wherever required, under this regulation.
14.2 If in case as described in Clause 14.1(b), the construction of the project is on-going and the Occupation Certificate, either in fully or partly has granted or not been granted, it shall be permissible for the Project Proponent to choose an option to prefer this regulation subject to payment of premium as prescribed in Clause 7.1 and 7.2. In such cases premium shall be calculated on balance area which shall be the difference of FSI permitted as per earlier regulation and that being availed as per this regulation.

15. Appeal: - Anyone aggrieved by an order passed under prevailing byelaws may within forty days from the date of communication of the order, prefer an appeal to the Director of Town Planning, Maharashtra State, Pune. The appeal shall be decided within 60 days.

16. Control by the State Government - Director of Town Planning Maharashtra State, Pune is authorised on behalf of Government to monitor the Township Project and submit his report once in six months to Government.

17. Government may relax any provisions from this regulation considering the site condition of the particular project.

18. The rate of premium mentioned in Regulation 7.1.2 and 7.2.2 can be revised by the Government from time to time.

By order and in the name of Governor of Maharashtra,

Ashok Kashirao Khandekar

(Ashok K. Khandekar)
Section Officer to Government
